ART of Transformation

*Reception and Client Art Show & Sale
presented by McClendon Center*

*Proceeds benefit McClendon Center, a community-based
mental health organization providing programs and services
to more than 2,000 DC men and women each year.*

1313 New York Ave., NW
Washington, DC 20005

This is not your usual fundraising event!

No long speeches or formal dinner. Instead, **imingle** with guests, get **inspired** by the artwork created by our clients, **delight** in tasty bites and cocktails, and take a **chance** in our raffle drawings.

Founded in 1980, McClendon Center is the highest ranking community-based mental health organization in the District. In any given year, we serve more than 2,000 adults diagnosed with serious mental illness.

The Art of Transformation event raises critically needed funds for our programs and services that are integral to our clients who are trying to gain stability, pursue their goals, and maintain a healthy state.
